

711 Windsor Ave, Kamloops, BC V2B 4S1

December 15, 2023

Dear BEST Families,

Please review our week ahead, as it will be a busy one. Today your child will receive his/her report card and we ask that you keep the report but please sign and return the report card envelope on Monday. This allows the classroom teacher to know that you have received and reviewed the report and it also allows us to reuse the envelope for our next learning update. Congratulations to our students on their successful learning this term. We are all so proud of the accomplishments you have achieved this term. Reports can also be accessed on the parent portal (an email was sent earlier today with details).

Wishing all of our families a wonderful winter break and all the best for 2024! Classes resume on January 8th 2024.

VIP Draw for Concert - tickets due Monday, Dec. 18th by 8:40am
