Dear BEST Families,

Today all students attended a thoughtful Remembrance Day Observance Assembly. Thank you students for your respect and patience.

Please note that our PAC will be hosting a craft fair on **Sunday, November 19th 10-3pm** at BEST. There will be a variety of vendors selling craft items and there will also be snacks for sale. Entry is by donation. We hope to see you there!

Next week we will be having a lockdown practice. We are required to have one lockdown practice per year. Lockdown procedures are used to prevent intruders from entering occupied areas of a building or when it is necessary to isolate staff and students from a danger outside or within a building. During a lockdown, staff and students move to a specific area of the classroom at the time of the lockdown procedure. Doors are closed and locked and windows are covered for a lockdown. Students will be informed of the practice beforehand and the fact that it is a practice will be emphasized.
