Dear Bert Edwards Families,

A reminder that there is no school tomorrow on October 21st 2022 (Professional Day). I want to thank all parents for attending interviews this week. It is so nice to see families able to connect with school staff in our classrooms. A Halloween approaches, please remember that students should not wear masks or bring weapons with their costumes. Classroom teachers will provide you with further details regarding their plans for the day.

Thank You,

Kim Edstrom
