Dear Bert Edwards Families,

We are looking forward to an exciting week ahead. Please remember that students should not wear masks or weapons with their costumes. We thank you in advance for your support in helping with this expectation.

We will be having our lockdown drill on Nov. 4th, as we are required to complete one per year. Lockdown procedures are used to prevent intruders from entering occupied areas of a building and when it is necessary to isolate staff and students from a danger outside or within the building. Students and staff will close classroom doors, blinds and then move to a designated area in their classrooms. The drill will take approximately 5 minutes from start to finish. It will be made very clear to students that this is simply a practice situation.

The Halloween food drive continues until the end of Monday. Please bring in your donations. Thank you to Mrs. Villeneuve's class for doing this. All food collected will be donated to the Kamloops Food Bank.

Grade 6 parents - Information for Interior Health was emailed to you on Oct. 27th. Links are included in this email to complete permission forms. Forms are due Nov. 3rd.
